## NOTES

- If minimum payments are not made in October, January, and May, registrants may be removed or replaced.
- Communication regarding payment will be routed through parents and youth workers via phone and email contact. Please make sure the email and best phone number provided in the NYC registration are both checked often.
- Monthly installment dates are suggestions and not required but will help families stay on track.
- If students are doing fundraisers and would like checks sent directly to MAD, please ask family/friends/churches to send checks to the payment address and mark it clearly with the participant's name.
- If you are paying through check, please refer to your local youth leader to see how your church may be collecting funds. If your church is not collecting funds to send all together, checks can also be made payable to "MAD NYI" and mailed to 1624 Lynch Road, Baltimore, MD 21222.
- If you are paying online, please note that there is a surcharge for online credit card processing (see QR code for the link).
